- The EMA owns Eagle Mere Lake and Pond, and a 100 ft. wide reserve surrounding these waters. The EMA is private and its properties are not open to the general public.
- Renters, or guests in a members cottage when the member is not in residence, or guests of the member inns, lodges, B&Bs, must become temporary members of EMA to have access to EMA property and facilities. If you are staying at an Inn, your application and fees will be handled through the Inn.
- On the back of the application, list the names of all adults staying in the cottage during the rental period. A single membership covers the applicants and guests who are staying in the cottage with them.
- Special rates: Rentals for a full calendar month will only be charged for a four week rental.
